

## **Jennifer Rusz**

Jennifer Rusz is an award winning serial entrepreneur with over 20 years of experience in both corporate and entrepreneurial roles. Rusz began her career working for companies such as Websense Software Security Solutions, ARS Division of Current Analysis, Kyocera Wireless Corp., Lucent Technologies and Mid America Research/FIF. Then, in 2014, Rusz started Sterling Rose Consulting Corp which turned into an award winning full service business consulting firm located in Gwinnett County, Georgia and now has expanded into a second office in Trussville, Alabama. Sterling Rose Consulting Corp provides business plan creation and review, strategic and tactical marketing plans, marketing implementation, management consulting, accounting, payroll, customer software design and implementation services, custom CRM solutions and strategic technology solutions for all size companies. Currently the company services over 1400 clients in 41 countries and 48 states. Jennifer Rusz has helped numerous companies not just launch but grow and succeed. It is her mission, and the mission of her company to help people and businesses realize their dreams.
